IMPORTANT NOTE

Fabric Colour Fastness

All fabrics are purchased to Australian standards of fabric performance. All fabrics will fade due to direct or indirect sunlight. Protection should be provided by suitable blinds, lining and / or exterior awnings, for extreme conditions. No claims will be recognised for fabrics that have not been properly protected from sunlight.

Natural Fibres

Natural fibre seeds, slubs and neps are an inherent characteristic of this fabric. Please accept these variations not as flaws but as a reflection of the fabrics natural charm. Variation in the colouration may occur to sample due to changing and seasonal growing conditions.
